Easterseals VT Commemorates the Year's Achievements

Easterseals VT staff at the annual Staff Celebration Day at the Vermont Granite Museum in Barre.

On Friday, September 27, Easterseals VT hosted its annual Staff Celebration Day at the Vermont Granite Museum in Barre.

We dedicated the day to recognizing staff achievements and presenting employee awards while reflecting on our collective impact.

We reviewed data from our consumer satisfaction surveys to better understand how our clients feel supported by us and the benefits they've experienced from our services, as well as identify areas for improvement. Data showed 96% of parents who participated in Care Coordination offered through our Child and Family Support program found the information shared by their Family Engagement Specialist to be helpful to them and their family.

Staff certifications were presented for successfully completing the necessary training for interventions in Child & Family Support Programs and the National Adoption Competency Mental Health Training Initiative. Over the past year, Easterseals VT staff collectively completed 2,048 training hours. The event marks the only occasion each year when the entire Easterseals VT staff from our eleven locations across the state gather together. Although the event focused on assessing the year's work and achievements, it also offered a chance to step back from daily tasks and enjoy our coworkers' company

Over The Edge: The Power of Neighbors Supporting Neighbors

On July 20, a crowd gathered around the North Barre Manor, one of the tallest buildings in the state, to watch 31 brave participants rappel for Vermont neighbors. Thanks to the contributions of sponsors, supporters, and participants, the event raised \$22,000, benefiting Easterseals VT's programs and services.

Among those who participated was Jakobie, a youth who utilizes Easterseals VT's Post Permanency Services; which serves families formed by adoption or guardianship in an effort to help meet the child's needs, increase family stability, and locate community resources. Jakobie's family has utilized Easterseals VT services for eight years, following his adoption by his great-grandmother, Brenda.

Brenda, who has been raising her great-grandchildren single-handedly, appreciates the assistance provided by Easterseals VT and Post Permanency Coordinator Ann Wheeler, "Anything our family has ever needed, she's always been there. Her knowledge and the resources she's connected us to have been a tremendous help."

Jakobie's rappel was nothing short of exciting, sparking his interest in trying activities like zip-lining and bungee jumping. "I loved going over the

Learn how you can give to Easterseals VT!

There are many ways you can help us make a difference in the lives of the children and families we serve. While cash is the most common, you may not be aware of the advantages of donating other assets.

Individual Retirement Accounts (IRAs) or Qualified Charitable Distributions (QCDs): A qualified charitable distribution allows individuals who are 70 ½ years or older to move up to \$105,000 per year from their individual retirement accounts directly to their favorite charity without it affecting their taxable income.

Gifts of stock: The option to donate securities is good for people who purchased stock over a year ago and, therefore, may be subject to long-term capital gains.

Donor-advised funds (DAFs): A donor-advised fund, which is like a charitable savings account, allows you to recommend how much and how often a donation is made.

We would be happy to talk to you further about the other ways to support Easterseals VT. Please call or email Pamela Hawkes, Chief Development Officer at phawkes@eastersealsnh.org or 603-793-3858.

Spruce Keys, a newly renovated Community-Based Services home located in Manchester, NH.

The three-month project has created a modern, comfortable living space for nine women whom we serve in our Community-Based Services program, which helps adults with intellectual disabilities and acquired brain injuries achieve stability, well-being, and fulfillment through a variety of services. "These individuals receive the extra help they need, like transportation to work, from our dedicated staff of 27 on a 24-hour, seven-day-a-week basis," says Renee Fisher, our Senior Vice President of Long Term Supports and Services. "With this new home, Easterseals NH no longer requires a rental property, which costs \$54,000 annually to rent."

The Manchester, New Hampshire, residence features three, 3-bedroom units complete with modern kitchens and laundry rooms. Renee gives a quick tour of this newly refurbished property in a short video, which you can view by visiting this link or clicking the button below <https://youtu.be/4nJ1vJIUs08?si=u9Dfjkw-p0snFHzy>.
