WHY SUPPORT

Easterseals Vermont provides services throughout Vermont, often partnering with the Department for Children and Families (DCF) to find family-centered solutions and create safety and well-being for children and parents. We support at-risk youth, foster youth, and families formed by adoption or guardianship. We serve the needs of approximately 2,000 individuals each year. We help Vermont children and families live their best lives.

Founded in 1985 by Vermonters to address service gaps, Easterseals VT operates independently of Easterseals National while upholding the over 100-year tradition of the Easterseals name. The organization relies on local funding and donations to maintain accessible services and provide emergency financial assistance to those we serve. Our annual fundraising event, Over the Edge, invites participants to raise \$1,000 for a unique urban rappelling experience.

The generosity of sponsors like you helps strengthen Vermont families, support at-risk youth, and create opportunities for parents and children to heal and thrive in our communities.

YOUR IMPACT

\$1,200 One year of car insurance coverage so a foster youth can safely commute to their job and provide for themselves.

\$1,000 A scholarship for an adoptive youth to attend Summer camp.

\$400 Food and gas cards for a grandmother fostering her two grandchildren, struggling to make ends meet, with no other family support, while her partner is dying from cancer.

\$300 Art classes for a child with sensory and physical challenges, providing a creative outlet while also offering respite for his grandmother, who is his caregiver.

\$100 A gym membership to help a foster youth focus on their health and well-being.

\$45 A haircut for a foster youth, providing them with a basic need that helps to improve their self-esteem.
